

## Dreams of Recovery Legacy Sponsorship

At Dreams of Recovery, we know there are many individuals and large companies that share the common goal of providing hope for improvement and overcoming obstacles that sometimes seem impossible. Dreams of Recovery wants to make the impossible possible. For that reason we are actively seeking to partner with individuals and corporate sponsors that share this common goal and are willing to devote resources to promoting and achieving these goals.

The Legacy Sponsorship level is reserved for those individuals and corporations that would like to participate in all annual fundraising events produced by the Dreams of Recovery Foundation volunteers and create a partnership to increase awareness of the common goals of our institutions.
